### From Occult New Age To Christianity – Question Every Spirit

...especially Demons pretending to be Angels Hi there!  
This is a testimony of being found and saved by Lord Jesus, Father, and the Holy Spirit. It's long, and everyone's opinions are their own but I'm writing it to pray no one falls into this trap. The truth can seem crazy. Demons are very real and the best liars. I didn't know there were beings which could be so deceptive and evil by nature. It's not something we're taught about in our education systems and societies. They came into my body ...

My Testimony of How I Came To Know Christ. Hi, I am a 19 year old mother of a 1 year old little boy, and I am here to testify that my God is real and He is all things Good! I always believed in God but I was not a devout Christian because of the people I was hanging around with. I was a smart, beautiful child that did not have a church growing up, all I had was my mother and my grandma to teach me. I grew ...

## **Marijuana Opens The Gate To Demonic Realm. Jesus Saved Me Testimony.**

 annamalaak  11/25/2017  Deliverance  5 Comments

As a believer in Christ, I would like others to experience His the most amazing love. If God could forgive me and save me, He can do it for anyone. My life before Christ. I was born into a non-Christian family. My parents worked hard to give me a good life. At the age of 14 I started to rebel. I started to smoke cigarettes and drink alcohol. I was sure my looks was everything I had. I stole my mother's gold jewelry. I was having sex with people who ...

Denmark. My Father and Mother were not married and my Father left when I was small so I have never known him. When I was about 9 years old my Mother became a Jehovah Witness, and that just turned my world upside down. Now before I go any further I want to point out that I carry absolutely no anger or bitterness towards my Mother. I love and honor and respect my Mother, and I know that she made ...

### Jesus Christ Saved Me From Paranoia Schizophrenia And Blessed Me With My Degree

When I was in my first year of university (2011) I began having difficulty with my thinking and getting blanks while thinking. I eventually failed my first year. The next year I began a new degree program Bsc Chemistry but due to what had happened the previous year, I lost confidence in myself and my identity of being a "smart girl", I decided to hang out with the wrong crowd. I had always been a bit introverted so my transition into a party animal had its dire consequences. I became ...

Hi all, I know by the looks of the title, it isn't really a pressing issue for anyone, but seriously it has taken a toll on me at one point, constantly seeking a chatting buddy online. If one did not work out, I would continue to seek for another one or have multiple ones (all males) so that I could have people constantly chatting with me, to fill the void in my heart. This went on for 6 years daily and I didn't think it was an issue back then. ...

## God Brought Me Out Of My Depresssion

 Chrysanthemum 2  5/31/2017   
Deliverance  4 Comments

I used to be extremely depressed. This depression was without a cause and I was only sad because I had recently began to know of emo and goth culture. It

appealed to me, and for a while I became a negative Nancy, blowing little things into proportion and basically making things seem way worse than they really were. I wanted to be able to act like I was edgy and I wanted to make it seem like I had gone through horrible things. I wasn't delighting in the Lord and ...

## Overcoming A Porn Addiction

I'm writing this post to share my personal experience with pornography. Jesus says to the Samaritan woman in John 4: 13 "Everyone who drinks of this water will be thirsty again, but whoever drinks of the water that I will give him will never be thirsty again." Pornography was the substance I constantly consumed and needed more of each time. It was an idol available to me at all times which I could go to when I was stressed out or just needed a boost in my day. I had ...

Last night I went to bible study over my aunt's house, because what I'm going through in life as a young 25 year old young lady I know I can't go on without the help of the lord. So I've been seeking God. But when I pray I couldn't feel him. I felt like He was ignoring me. Negative things just kept happening in my life. I

couldn't understand why....WHY ME? I checked myself into counseling because of depression. I started to isolate myself from people. I felt like the ...
